

**To: Streetlight 5k and 1 Mile Fun Run Participants**  
**From: Ryan Jones, Race Director**  
**Subject: Points of Interest**

On behalf of the City of Concord, I would like to extend our appreciation for your participation in the 2010 Streetlight 5k and 1 Mile Fun Run on Friday July 16, 2010. This informational letter will answer any questions that you may have regarding the Streetlight 5k and Fun Run. Included in this packet is a new updated map of the race at our new location.

Pre-registration will be held at Paul's Kitchen next to the lower parking lot at Les Myers Park from 6:00 pm until 7:15 pm.

With our participant's convenience in mind, we have made a few minor adjustments to our Streetlight 5k. This year the Streetlight 5k will start AND finish in Les Myers Park. No more waiting for a shuttle bus at McGee Park to bring you back to your cars at Myers Park. The race will start on Lawndale Avenue in front of Les Myers Park, turn left into the McEachern Greenway, continue through McGee Park into the new Downtown Connector Greenway, turn around approximately 400 feet before the bridge and follow the same path back to Myers Park. When running please stay to the right. Course will be marked for direction. Please take advantage of parking in the field behind Paul's Kitchen (weather permitting), the Upper Les Myers Parking Lot and in CD Lyons baseball field (weather permitting). The lower level parking lot at Les Myers Park will be used as a staging area for all participants. If inclement weather causes CD Lyons field and the field behind Paul's Kitchen to close, we will open up the lower level parking lot at Les Myers Park for parking. Please arrive early to receive your goody bag and race bib numbers!!

We are using ChampionChip timing technology. We will assign you a microchip at registration. Please remember to return the microchips to us at the conclusion of the race. If microchips are not returned there is a \$30 fee for replacement. We will have a table set up for microchip returns at the finish line.

If you have further questions, please feel free to call Ryan Jones at 704-920-5619.

Again, thank you for your participation and we are looking forward to a great event.

Sincerely,

Ryan Jones
